mi Tech Systems, Inc. Waste LD.# Number: 101012-02 Marile Number: 86828 193386828

this form is submitted to Chem-Tech Systems, Inc. in accordance with 40 C.R. Part 268 which restricts the land disposal of certain hazardows.

A copy of all applicable treatment standards and waste analysis data, where available must be attached to this form.

1. Is this waste a nonwestewater or a wastewater? (See 40 CFR 268.2) Check the appropriate box for each Manifest Line Item in the table waste

2. If this waste is subject to any California List restriction enter the latter "A" from below next to each restriction that is applicable:

(HOC's ) (PCB's ) (Acid with pH≤2 ) (Cyanides ) (Metals ).

3. Identify all USEPA hazardous waste codes that apply to this waste shipment, as defined by 40 CFR 261. For each waste code, identify the corresponding subcategory, or check "none" if the waste code has no subcategory. Also, check which treatment standards apply. Spent salved and California List treatment standards are listed on the attached pages. For each waste, enter manifest line item in first column of tables.

MANAGEMENT METHOD. In Column 7 above, enter the letter (A,B,C,D or E) below that describes how the waste must be managed to original with the land disposal regulations (40 CFR 268.7).

- A. RESTRICTED WASTE REQUIRES TREATMENT
- This waste must be treated to the applicable treatment standards sot forth in 40 CFR Part 268 Subpart D, or RCRA Section 3004(d).
- B. RESTRICTED WASTE CAN BE LAND DISPOSED WITHOUT FURTHER TREATMENT

"I certify under penalty of law that I personally have examined and am familiar with the waste through knowledge of the waste to support the certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D and all applicable prohibitions at four in 40 CFR 268.32 or RCRA Section 3004(d). I believe that the information I submitted is true, accurate, and complete. I am aware the there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment."

C. RESTRICTED WASTE TREATED TO PERFORMANCE STANDARDS

"I certify under penalty of law that I personally have examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that, based upon my inquiry of those individuals immediately responsible for obtaining the information, I believe that the treatment process has been operated and maintained properly so as to comply with the performance levels specified in article 4 and article 11 of chapter 18, division 4.5, Title 22, CCR, and all applicable prohibitions set forth in section 66268.32 or for submitting a false certification, including the possibility of a fine and imprisonment."

- D. RESTRICTED WASTE WITH TECHNOLOGY BASED TREATMENT STANDARDS
  - "I certify under penalty of law that the waste has been treated in accordance with the requirements of 40 CFR, 268.42. I am aware that see are significant penalties for submitting a false certification including the possibility of a fine or imprisonment."
- E. RESTRICTED WASTE SUBJECT TO A VARIANCE OR EXTENSION
- This waste is subject to a national capacity variance, or a case-by-case extension. Enter the effective date of prohibition in Column 7 show NOWLEDGEMENT

say certify that all information submitted in this and all associated documents is complete and accurate, to the best of my knowledge and information.
